**Total score**

**/72**

<b>0</b>	<b>18</b>	<b>36</b>	<b>54</b>	<b>72</b>
----------	-----------	-----------	-----------	-----------

JOINT DISEASE UNLIKELY

JOINT DISEASE MODERATELY LIKELY

JOINT DISEASE HIGHLY LIKELY

This questionnaire is not intended to be used as a pain scoring system. It should be used as a tool to aid in the identification of joint disease in dogs and monitor trends (through reassessing scores). Evaluation of joint disease should always be made in conjunction with a thorough clinical examination by a veterinary surgeon.

# Support joint health with Locox TT

## Soothe inflamed joints - Move to more Omega-3

- ✔ In independent tests, Locox TT was shown to contain 4.5 times the amount of important Omega-3s than the market leading joint supplement<sup>1</sup>
- ✔ Locox TT only includes Omega-3s from sustainable fishing sources

## Keep joint cartilage healthy

- ✔ In addition, Locox TT contains a high-quality mixture of glucosamine and chondroitin, vitamins and minerals, and powerful antioxidants

## Simple administration

- ✔ No initial loading phase required
- ✔ Only 1-2 tabs daily per dog
- ✔ Made with **Tasty Tech™** - a patented manufacturing process that preserves delicate active ingredients and ensures tabs taste like a treat!
